To log in to Citrix, simply type [citrix.goodsam.org](http://citrix.goodsam.org) in your web browser. You may save this site in your Favorites for easy access.

If you receive the above prompt to install Citrix and you have already installed it, click **Skip to Log on**.

Select the application you need from the icons on you desktop. If you have a Single Sign-on account, you will be automatically logged in to the selected application, just as you would on a hospital computer. Please be sure to click the log off button at the end of each session.
